

**Physics 9059T
Evaluation Form**

Name: _____

Date: _____.

Speaker: _____

Title of the Talk: _____

Instructions: Answer questions 1–7 in your own words. Confine your answers to the boxes provided. “Yes” and “No” are inadequate answers; add comments. Turn this form in to the Physics 9059T Coordinator at the end of the talk.

Note: The purpose of this form is to evaluate your comprehension and ability to be objective — this document will not be used to assign a grade to the speaker

1. What were the main scientific points presented in the talk?

2. Were these points conveyed in a clear and convincing fashion? Were the points well supported in the talk?

3. Was the talk organized in a logical manner?

Continued over...

4. Comment on the presentation. Was it accessible to a general audience? Did the speaker establish rapport with the audience? Was the talk audible and clear? Were the slides clear and effective?

5. How could the talk have been improved?

6. How well did the speaker respond to questions?

7. If you have any additional comments, please include them here:

Submit this paper to the Physics 9059T Coordinator at the end of the talk.
